

# THE ENGLISH LANGUAGE

# ROMAN INFLUENCE (LATIN)

The final Roman conquest and invasion of Britain (modern-day England) began in **43 AD**.

Language: Latin gave rise to Spanish and other Romance languages.

Law: Many current laws are based on Roman law.

Architecture: They used arches, vaults, aqueducts, and concrete; their style is still imitated today.

Politics: They inspired republican systems, citizenship, and the organization of the state.

Culture and Religion: They disseminated classical culture and spread Christianity.
